Senior Whole Health (HMO)

Pharmacy Directory

This booklet provides a list of Senior Whole Health's network pharmacies. This directory is current as of October 15, 2009. The pharmacy listings in this directory do not guarantee that the pharmacy is still in the network, or that the pharmacy is still open or at the same location as listed. All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed.

To get current information about Senior Whole Health network pharmacies in your area, please visit our Web site at www.seniorwholehealth.com or call our Member Services at 1-888-794-7268, weekdays, Monday through Friday, from 8AM to 8PM, and also on Saturdays and Sundays from November 15th to March 1st. Someone is available, however, 24-hours a day, if assistance is needed. Interpreter services are available upon request. TTY/TDD Users should call 1-888-749-6455.

Senior Whole Health (HMO)

Pharmacy Directory

Section 1 - Introduction

This booklet provides a list of Senior Whole Health's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Senior Whole Health's formulary. If you have additional questions, please call our Member Services at 1-888-794-7268, weekdays, Monday through Friday, from 8AM to 8PM, and also on Saturdays and Sundays from November 15th to March 1st. Someone is available, however, 24-hours a day, if assistance is needed. Interpreter services are available upon request. TTY/TDD Users should call 1-888-749-6455. Or, visit www.seniorwholehealth.com.

Network Pharmacies

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Senior Whole Health. In most cases, your prescriptions are covered under Senior Whole Health only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Senior Whole Health's pharmacy network contains over 60,000 pharmacies nation-wide, including Puerto Rico. In the rare instance that you have to access a pharmacy that is outside of the network, Senior Whole Health will reimburse you for the cost of the medication less any applicable co-payment if the medication is currently covered by the plan. This reimbursement is also dependent on any approved utilization management programs, including step therapy or prior-authorization.

Mail Order Program

Senior Whole Health offers a mail order program through Express-Scripts Mail Pharmacy Service. If you'd like to use the mail delivery service please contact the Senior Whole Health Member Services Department at the number listed above. The standard time from sending the order to receiving the medications is 14 days from the mail order pharmacy. If your mail order is delayed you may receive an emergency supply of the medication for up to 30 days. You should have your prescriber call your local pharmacy to prescribe a 30 day supply of your medication. If the prescription is rejected the pharmacy may call Express-Scripts Inc. and request an emergency supply due to the delay in the mail order prescription. If you, or your pharmacist, have any questions about this process, please call the Senior Whole Health Member Services Department at the number listed above.

Please note that you do not have to use the mail order program. You may receive up to a 90 day supply of medication at many local pharmacies at no additional cost. For more information on pharmacies that offer extended day fills of your medications, please contact our Member Services Department at the number listed above.
