Senior Whole Health (HMO SNP)

Pharmacy Directory

This booklet provides a list of Senior Whole Health's network pharmacies. All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about Senior Whole Health network pharmacies in your area, please visit our Web site at www.seniorwholehealth.com or call our Member Services at 1-888-794-7268, Monday through Friday, from 8 A.M. to 8 P.M., and also on Saturdays and Sundays from October 15th to February 14th. (TTY/TDD Users should call 711.)

Beneficiaries must use network pharmacies to access their prescription drug benefit. Benefits, formulary, pharmacy network, premium and/or copayments/coinsurance may change on January 1, 2013.

Senior Whole Health is a Coordinated Care plan with a Medicare Advantage contract and a contract with the Commonwealth of Massachusetts/EOHHS MassHealth program. Enrollment is voluntary.

Call Member Services at 1-888-794-7268 (or TTY/TTD 711) to receive material in alternate format or language.

Introduction

This booklet provides a list of Senior Whole Health's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Senior Whole Health's formulary. If you have additional questions, please call our Member Services at 1-888-794-7268, Monday through Friday, from 8 A.M. to 8 P.M., and also on Saturdays and Sundays from October 15th to February 14th. TTY/TDD Users should call 711. Or, visit www.seniorwholehealth.com.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Senior Whole Health. In most cases, your prescriptions are covered under Senior Whole Health only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Senior Whole Health's Network Pharmacies

The pharmacies in this directory are organized by type of pharmacy, then alphabetically by city. If you want to find the pharmacy nearest to your home, first look in the chapter that describes the kind of pharmacy you are looking for, such as a Retail or Long Term Care pharmacy. Then find your city alphabetically within that chapter and scan the pharmacy addresses to determine their location relative to your home. If you need help, just call Member Services.
